

2002 CBA HALL OF FAME INDUCTEE

Mike Wirz, Eau Claire, WI Superior Performance

Mike Wirz, the CBA's Iron Man, with his unapproachable record of 125 consecutive tournament appearances, moves with the swagger of the talented natural athlete he is. Whether he's rolling a bowling ball, blazing a softball from the mound (each at a world class-level) or swishing a jumper in a pick-up basketball game, his steely grit and athletic grace are evident. In bowling, he gets it done with his deadly accuracy, a soft touch and fiery never-say-die attitude. Bowling and the CBA are lucky Mike chose this sport to display his skill, endurance and longevity: qualities of a truly great athlete.
