

2003 CBA HALL OF FAME INDUCTEE

Gary Arntzen, Prior Lake, MN
Meritorious Service

Gary Arntzen is one of the innovators in the Bowling Pro Shop industry. With his “*On Track*” Pro Shop chain, he has grown his business into one of the best bowling supply pro shops in the country. He currently has operated his shop at Midway Pro Bowl for 20 plus years, and has helped others get started with their own shops in Eden Prairie Lanes, Cedarvale Lanes, Texa Tonka Lanes and New Hope Bowl.

Gary came up with the “*On Track Cashier*” for the CBA in 1996. He wanted to help out the bowler who just missed cashing with a chance to get a free entry into the following tournament. Any time the CBA needed someone to help, Gary would always step forward and do whatever was needed.

The CBA thanks Gary for his contribution to the sport of bowling and is proud to have him into our Hall of Fame.
